Sold**Item Reference: SA287876****Date of manufacture: 1920**

Description

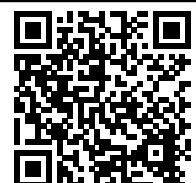

A superb quality example of needlework, 1920s, in the Jacobean style. Depicting the Tree of Life with the colours still unfaded, this is a beautiful item created by a talented needlewoman almost 100 years ago. Now presented as a linen cushion with feather filling. In order to ensure the needlework's long term survival it might be better to frame it; it is, after all, as much a work of art as is a painting. SIZE: 16 x 16 inches. PROVENANCE: By descent in a Yorkshire family from new.
