Description

A good quality late 19th century FRENCH CARRIAGE CLOCK by the renown maker: Henri JACOT. In its typically fine quality "Corniche" case, with bevelled glass panels to the front, side, back door and top, and folding cast brass handle, the eight-day movement retains its original lever platform escapement and strikes hours and half-hours on a gong. The clear white enamel dial is perfect as are the original blued steel 'spade' hands. It is signed on the backplate with the Jacot trademark: a parrot on a stand flanked by the initials: "H.J". Perfect working order and guaranteed at least two years.
