Description

A 1960s gents Girard Perregaux wrist watch. The watch has a hand-winding movement, signed Girard Perregaux, which is ticking away nicely and the time keeping is good. The movement has the serial number 263504. The watch measures 28.5mm wide excluding the winding crown and 28.5mm high excluding the lugs. The case is stainless steel and there are general light surface marks but overall the condition is good for a 1960s piece. The curved lens is in good condition too. The dial is signed Girard Perregaux, Swiss. There is some minor marking as shown in the photos. The silver coloured hands have a little marking if you look very closely. A new black leather strap has been fitted. FREE POSTAGE SAME DAY DESPATCH IF ORDERED BEFORE 12 NOON (Monday to Friday)
