Sold**Item Reference: SA288995****Date of manufacture: 1930**

Description

Very stylish pair of original Swedish Art Deco armchairs dating from the 1930's in good condition & very comfortable. The arms & feet are a blond satin birch. They have just been recovered in a Swedish linen fabric, which is a neutral colour. The seats are quite soft & springy, so if you like your seats hard, they won't be for you, unless you want to spend extra money, re-springing, etc. These armchairs are more substantial than the usual pairs I bring over from Sweden & are harder to find. The usual pair are a bit smaller & thinner on the arms. I normally have at least one pair of that model on my main web site & sometimes on eBay too. Width - 28.5", 72 cm Depth - 30.8", 78 cm Height - 30", 76 cm Seat height - 16", 40 cm
