Description

A fabulous large Victorian Chess set in the Staunton pattern made from Boxwood and Ebony. Each piece is heavily weighted making this a wonderful set to play with, the heavy ones are always most sought-after and equally, hard to find. The box is unusual too, with an original brass lock intact complete with a working key. The interior is lined in a green baize to protect the pieces. All of the pieces are in excellent condition, one pawn with a hairline following the wood grain, insignificant but mentioned and shown for accuracy. The King stands 3 3/4" tall with a base diameter measuring 1 3/4". Item ID: 35891 FREE Worldwide Registered Airmail Directly from London, England
