RARE EARLY 19th CENT. BUSHEL MEASURE LEVELLER

Price

Sold

Item Reference: SA291103

Date of manufacture: 1800

Description

FINE and RARE early 19th century heavy turned lignum bushel measure leveller. You can see one of these illustrated in the Pinto book of treen. This example has been well used over the years and as such is the most gorgeous colour. It could even possibly be 18th century but it is hard to be sure. SIZE; 29" long. 3" diameter
