Description

A gents 1950s Smiths De Luxe wrist watch in beautiful condition. The watch has a hand-winding movement which is ticking away nicely and the time keeping is good to within around one minute over a 24 hour period. The watch measures 30mm diameter excluding the winding crown and the lugs. Although originally designed to be worn by a man, it would suit a slimmer wrist or it could be worn by a lady. The case is in lovely condition with just the odd minor mark. The dial, signed Smiths De Luxe, 15 Jewels, Made in Gt Britain, and the lens are both in lovely condition. There is a little marking to the hands, and some of the infill has come out of the minute hand. A later brown leather strap has been fitted.
