Description

Outstanding Longines solid 18ct rose gold gents professionally serviced wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. This is a very rare model in solid 18ct rose gold and the case is oversize measuring 36mm in diameter not including the crown which makes this highly desirable. This is a genuine and rare Longines manufactured heavy weight case and should not to be confused with lightweight examples. The watch movement is the Longines calibre 27M with 17 jewels manual wind, beautifully made, totally reliable and as you can see it is in fabulous like new condition. The two tone ivory coloured dial with the sub seconds dial is in superb condition. It has rose hands, baton markers again all original as is the winding crown. A new glass has been fitted and the case has been professionally polished this is a watch that looks and performs like new. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap . It comes with a high quality presentation box to keep your watch in perfect condition although ...
