Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier swiss maker Omega. It has a platinum case and 18 of the most exquisite European old cut diamonds which are deeper than modern day cut and are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing being of F-G abd VS quality. The total carat weight is approximately 4cts. The dial is absolutely perfect, in mint condition with no marks or scratches, it has the Omega logo on the crown and buckle. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. It comes complete with a brand new quality black leather strap strap. The calibre 481 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement and the case is also marked platinum and has been fully tested. It comes complete with a new premium presentation box to keep your watch in perfect condition. This is truly an exceptional piece and would have been ...
