Description

A lady's antique silver card case of super quality, with original calling cards in the name of Miss Freda Bundock. The case measures approximately 8cm x 4.5cm so it is a very ladylike elegant size, and it weighs 44.2g. The case is beautifully detailed on both the front and back and there is a vacant cartouche to the front. The lid hinges open to reveal good clear hallmarks for Birmingham 1878 with a maker's mark for George Unite. There are a couple of minor 'dings' to the case but overall it is in super condition for its age.
