CHARMING ENGLISH LANDSCAPE OIL PAINTING

Price

Sold**Item Reference: SA293355****Date of manufacture: 1860**

Description

A charming mid-19th century Landscape OIL PAINTING on canvas, in good condition but in need of re-framing. It depicts a typical English rural scene with a sizeable river running through the countryside with a church in the background; a village on the right and cattle grazing peacefully on the banks. Needs a light clean, and comes with its original slip frame only, so re-framing necessary. Signed with a monogram lower right corner, and the painting is dated: 1866. Quite large: 35ins x 18.5ins. (89 x 47cms).
