Description

Beautiful mint condition, professionally serviced with 12 month warranty. This is an absolutely stunning example of a ladies dress wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct rose or pink gold case and snake skin link design integral bracelet which is very fluid and simply glides around the wrist, the colour is just incredible. It has one brilliant cut diamond to each end of the case of 0.125cts each and it is extremely heavy weighing a total of 34g. The most unusual aspect of this watch is that it is has a backwind instead of a crown, this is an extremely rare attribute and was specifically designed to enhance the overall look of the watch and also to stop the crown from catching in delicate items of clothing. This watch has been fully restored, the dial, hands and bracelet are in perfect like new condition, a new glass fitted and it has been professionally cleaned and polished so it is in pristine condition. It looks as though it has been used only for special occasions. This is a very rare watch indeed with the 18ct rose gold, diamonds and it being a backwinder. As you would expect from Omega the watch is fully marked on...
