Description

A really fine quality Black Forest carving in the form of a very sweet dog's head, full of character and wonderfully executed. The underside reveals the hole where the piece of wood would have been screwed onto a support and used to turn while being hand carved, allowing for a fine quality example. The dog retains its two original glass eyes. The head is topped with a hat which is hinged and opens to reveal the original removable glass ink chamber or liner. A real gem in excellent condition. 4 1/4" x 4 1/4" x 4 1/4". Item ID: 35924 FREE Worldwide Registered Airmail Directly from London, England
