RARE PAIR OF BELL METAL SCOTTISH MEASURES. C. 1840

Price

Sold**Item Reference: SA295065****Date of manufacture: 1800**

Description

FINE and RARE pair of early Victorian Scottish measures in heavy bell metal. 1/2 a pint and a gill size. These really are very nice indeed. As good as I've ever seen. You see plenty of these in copper and pewter but not in bell metal.
