Description

Made in the Kuba region of the eastern Caucasus, my feeling is that it is of good age - possibly mid 19th century - with wonderful, saturated, vegetable colours throughout. I love the large 'snowflake' design on the beautiful glowing indigo-blue field and the small size - a very rare design on a prayer rug from this region. Size: 1.30m x 0.91m (4' 3" x 3' 0").
