Description

This charming ANTIQUE SILK AND WOOLWORK PICTURE dates from circa 1830. The stitches are worked on a silk ground with looped wool adding a third dimension to the leaves on the trees. The colours of the wool are still bright. There are signs of wear to the very delicate silk ground, most noticeably to the sky area. The picture is framed and behind glass. Dimensions: Height: 16.75 inches (43 cm) Width: 18.75 inches (48 cm)
