Sold**Item Reference: SA296861****Date of manufacture: 1910**

Description

An antique Wilsdorf & Davis sterling silver pocket watch. This particular watch has a high grade stem-winding lever movement with jewelled pallets and Breguet spiral, stamped Swiss Made. The movement is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The watch measures 49mm diameter excluding the winding stem and the loop. The case is sterling silver and there are hallmarks inside both of the back covers for London 1912, together with the maker's mark for Wilsdorf & Davis. The case has some surface marks to the hinged case back but overall the condition is good for a 1912 piece. The plastic lens has minor marking but is very acceptable. The enamel dial has one long hairline crack and a second short one but otherwise is in nice condition with blued steel hands, subsidiary seconds dial and an outer minute track.
