Description

This well-detailed ANTIQUE BRASS TABLE PLANTER, with LION'S MASK HANDLES and LION'S PAW FEET, dates from circa 1880. Dimensions: Height: 5.25 inches (13.5 cm) Width: 10 inches (25.5 cm) Depth: 7.25 inches (18.5 cm) This PLANTER displays particularly well and would look excellent filled with a floral display. There are three minor pin pricks in the brass to the base so a liner or holder would have to be used to avoid leakage. The PLANTER has the usual small dents which one would expect to find with something such as this which has been lovingly used and cleaned over the years.
