Description

Unusual but very decorative late 19th century bamboo and tile plant stand in good original condition except for the metal internal liner. Finished all round with tiles all round. Therefore 8 tiles in total. The tiles depict hunting and shooting and are by MINTON & HOLLINS & Co. STOKE ON TRENT. We had to make a new metal liner for it as the original one was totally rusted through. Would look fantastic in a conservatory. SIZE; 29" wide by 11" from front to back by 32" high
