

SA298676

Antique 1912 Omega gun metal pocket watch

Price

Sold**Item Reference: SA298676****Date of manufacture: 1910**

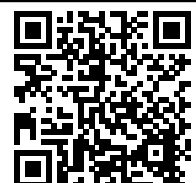

Description

Antique Omega gun metal stem winding pocket watch. The watch has a stem-winding movement which is ticking away nicely and the time keeping is good to around 2 - 3 minutes over a 24 hour period. The jewelled movement is stamped Omega, Swiss with the serial number 4247460 which dates the watch to 1912. The watch measures 51.1mm diameter excluding the winding stem and the loop. The gun metal case is signed Omega and numbered 5044474. The case has light surface marks from use and otherwise it is in nice condition. The inner case has light pitting although it is in nice condition for its age. The watch lens is glass and is in nice condition. The dial has a faint hairline crack between the sub seconds dial and the bottom but otherwise it is in nice condition. The watch has its original hour and minute hands (The sub second hand is later although vintage).
