Description

Large Original 18th Century Engraving of the Antiquities of Athens by Edward Rooker of Bacchus and Tyrrhenian Pirates. The engraving appears to be from Chapter IV, the Choragic Monument of Lysicrates. They show reliefs on the Lysicrates monument illustrating the story of the Tyrrhenian pirates. This engraving would look stunning framed and measures 22" by 15.5". In very good condition considering the age. Please view my other interesting items. Many thanks Karen
