Sold**Item Reference: SA299226****Date of manufacture: 1910**

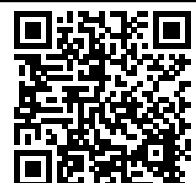

Description

Antique Edwardian solid mahogany occasional table in good original condition dating from around the 1900-10 period. The shaped top has a scalloped edge & sits on nicely shaped legs that are beautifully carved on the tops. There is a platform between the legs with a scalloped edge too & this is joined to the legs with shaped out stretchers. There are many inferior models of this type of table on the market, that are often ebonised or just bad quality & to be honest, I don't bother with those. This one however is a top model & has just been French polished. Width - 30.7", 78 cm Depth - 23.2", 59 cm Height - 27.5", 70 cm
