UNUSUAL SOLID OAK CONVEX or BUTLER'S MIRROR c1920

Price

Sold**Item Reference: SA299282****Date of manufacture: 1920**

Description

This unusual ANTIQUE CIRCULAR CONVEX MIRROR or BUTLER'S MIRROR dates from circa 1920. It measures approximately 18.5 inches (47 cm) in diameter. It is unusual in that the frame and balls are made in OAK rather than the more common gilded pine. The condition is good and original throughout. The glass is clear.
