MAHOGANY CANTERBURY or MAGAZINE RACK

Price

Sold**Item Reference: SA299366****Date of manufacture: 1800**

Description

An excellent quality English early 19th century mahogany CANTERBURY (or magazine rack) in particularly good condition. Featuring four curved divisions, supported between 'scallop' corner uprights (a good sign of quality) and with shaped vertical balusters, this good example has an ash-lined drawer to the frieze (very clean original condition and, unusually, fitted with a lock) and is supported on pretty turned legs with original brass castors.
