Description

Almost certainly by Gillows of Lancaster: a fine quality, large and original solid mahogany DINING TABLE in splendid condition. Comprising two beautifully figured ends that separate via the concertina action to accommodate the two additional and original leaves, this fine table will seat TEN in comfort and TWELVE on "High Days and Holidays"... It is supported on eight slender turned and reeded legs that are recessed (in order that they do not interfere with diners legs!) and both action and castors are original and work smoothly, whilst the frames are scalloped out to provide extra leg room those seated at either end. A fine and impressive dining table. Dimensions: maximum length: 8ft 9ins; each leaf approximately 26ins; width: 48ins. (267cms maximum; leaves: 66cms each; width: 122cms)
