Description

Antique Victorian figured walnut open bookcase with some lovely inlays along the front of the top. It's in good original condition & is just as I obtained it from a private source in London. I thought the colour was good, so why change it. It has two adjustable shelves & as you can see, there are a couple of slight openings in the pine back due to shrinkage, but it is structurally sound. Width - 35.5", 90 cm Depth - 10.5", 27 cm Height - 40.5", 103 cm
