Description

Very tall slim antique Georgian mahogany library bookcase, in good original condition, dating from around the 1810-20's period. The top section has Gothic arched astral-glazed doors with the original glass & brass beading on the door. There are four adjustable shelves inside & brass lockable bolts top & bottom of the left hand door. The bottom cupboard has two doors with Gothic arched panelling, also with the brass beading & two shelves inside. There are working locks to both doors & it sits on bracket feet. This bookcase is totally original & has loads of character. It's quite rare to find this type of thing in such good condition, considering it's about 200 years old. Please make sure it will fit under your ceiling. It does separate into two sections for easy transportation. Width - 34", 86 cm Depth - 19.3", 49 cm Height - 99.6", 253 cm
