Description

Fabulous original antique bentwood hat / coat stand dating from around the 1890-1910 period, which is lovely original condition. It has a really gutsy curvaceous base section & I've never come across one as full as this one. Everything is still intact, including the top finial & there is nothing missing. Please enlarge all the images to appreciate all the fine details on the stand. Maximum width at bottom of legs - 29", 74 cm Height - 77.5", 197 cm
