Description

Very Rustic French Farmhouse Coffee Table. This is a traditional Rustic French Farmhouse table, the legs have been lowered to make it into a good Rustic Coffee Table. The table is made in Chestnut, it has a 4 plank top and sturdy square legs. The top is very Rustic; it is not one for the faint hearted, the surface of the table is now very smooth, the crevices have been filled to give the gnarled wood a smooth surface, this has then been given a tough transparent finish so that the natural patination of the gnarled wood can be seen clearly and you have a very usable coffee table. There is no mistaking the authenticity of this wonderful table. The table dates back to the middle of the 19th Century, it is very sound and sturdy. As to condition, this table is very sound, there are no loose joints or wobbles. The table is 26" wide, 61" long and 17" high. MG60
