Antique English Antler Horn & Sterling Silver Handled Magnifying Glass

Price

Sold**Item Reference: SA301126****Date of manufacture: 1900**

Description

A large example, measuring 10" in length with a glass diameter measuring 4". The antler horn handle is finished with a solid or sterling silver terminal, highly decorative and hallmarked for Sheffield 1900. It also is lucky enough to have an English design registration number for the year 1895, when this design was first registered. The ferrule too is sterling silver which attaches to the nickel over brass frame of the magnifier. The glass has an excellent magnification and is in full usable order. A superb, grand and impressive desk accessory in excellent condition. Item ID: 35968 FREE Worldwide Registered Airmail Directly from London, England
