A NAIVE CARVED IVORY FIGURE

Item Reference: SA301743

Date of manufacture: 1900

Description

A 'quirky' but somehow rather charming carved IVORY FIGURE, probably African in origin. Depicting a young woman, naked but for her simple loincloth, and standing on its integral base, this figure is attractive and radiates considerable elegance despite its apparent lack of "refinement". Almost certainly Tribal African, but from where? Recommended.
