A beautiful Windsor armchair

Price

Sold**Item Reference: SA301882****Date of manufacture: 1850**

Description

A beautiful 19th century Windsor stickback armchair. The ash hoop retains six sticks and a central splat containing a most attractive cut-out reminiscent of a fleur-de-lis motif. The shaped arms with their gently scrolling supports are in fruitwood. The well figured solid elm seat is supported by elegantly turned legs united by an H-stretcher. This stunning late Georgian/early Victorian chair is English, c.1825 – c.1850, and has its original finish with a rich colour and patina. . . Width 21 3/4" (555mm) Height 35 1/5" (900mm) Depth 22" (560mm) Seat height (average) 17 3/4" (450mm)
