Heavy carved oak Armchair.
c1900.

Price

Sold

Item Reference: SA302294

Date of manufacture: 1900

Description

A good heavy carved armchair with upholstered back and seat, the arms are carved with acanthus leaves and it stands on large paw feet with a heavily carved front stretcher. It needs new webbing to support the springs which are showing beneath the seat. it is completely sound and sturdy. The upholstery is worn but ok.
