Description

In superb original condition, fully serviced with a 12 month warranty. Outstanding Zenith extremely heavy solid 9ct gold gents wristwatch. The watch is extremely rare as it is the one favoured by JF Kennedy. It has the 25 jewel calibre 2542PC chronometer fully automatic movement. The case is heavy and it has its original starburst dial with gilt hands and baton markers with the date set to between the four and five and its original winding crown. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a high quality presentation box and a premium quality black leather strap. Zenith are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch measures 30mm x 41mm not including the crown. Overall this watch is in outstanding condition and highly sought after by collectors of Zenith also JF Kennedy memorabilia, indeed it looks as if it was rarely worn. The watch has been fully serviced by Alan Willimas FBHI and is guaranteed to be a genuine Zenith in all respects. It has been professionally overhauled, the process is highly detailed a...
