Description

This antique walnut bookcase has a very distinct figuring within the veneers. The top section has two astral-glazed doors with arched top & adjustable bookshelves inside. The bottom section has burl walnut panelled doors with amazing figuring, especially on the panels. This bookcase sits on bracket feet & it separates into two sections. I would say it dates to around the 1910-20's period & is in good condition, having just been polished. Width - 42.5", 108 cm Depth - 14", 39 cm Height - 74", 108 cm
