Description

Antique Solid Silver Ladies Pocketwatch GWO Circa 1880 The case is hallmarked "0,935" for the silver content and it is maked with two lions. The case is in fair condition there are a couple of dents commensurate with its age and use and the enamelled dial has a hairline crack. The watch is working but I have not tested it as a timekeeper. It measures 37mm in diameter and weighs 45.3 grams in total. A pretty lady's silver cased pocketwatch which would make addition to any collection. N.B. As with all antique watches, no claims are made regarding accuracy of time keeping. Antique watches may need servicing, even if they are in good running condition, and unless otherwise stated they may need to be cleaned, timed, oiled or adjusted. Silversalvo, based in North Yorkshire, are new to selling antiques and are looking to provide excellent quality and value antiques. We specialize in sterling silver but aim to offer other quality items. If you have any specific requirements or require any further information please do not hesitate to call or email.
