Description

Pair of antique hallmarked solid silver peppers. Hallmarked Birmingham 1908 John Grinsell & Sons (hallmarked on both the bodies and the lids). Each weighs approx. 33 grams (combined weight 66-67 grams). Each measures approx. 9 cms in height. Generally good condition for their age - there are a few dings around the tops and the bases, but this does not detract from the stylish look of the peppers. The lids sit tight so they are fully functional. A LOVELY PAIR OF SILVER PEPPERS.
