Description

Heavy Solid Brass Chromed Towel Rail Radiator A handsome piece is in very good condition, it has 7 chunky rails from which to hang your towels, it is made from 1.5" chromed brass tube the towel rail will stand on its own so it could be fixed on to a floor position with out the need for plumbing, or alternatively all the joints seem good so it would also be possible to have it added to the central heating system. The Towel rail is 34" high and 23" wide and 8" deep TMG105 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
