Description

A vintage 1920s Record full hunter pocket watch, originally given as a 21st birthday present in the 1920s. The watch has Swiss stem-winding movement which is ticking away nicely and the time keeping is good to within around two to three minutes over 24 hours. The high grade movement is stamped Record, 15 jewels, Swiss made. The movement is protected by an inner dust cover with a personalised engraving. The watch measures 50.7mm diameter excluding the winding stem and the loop. The gold plated full hunter case was made by the Illinois Watch Case Company and was originally 'guaranteed to wear 10 years'. The case has light surface marks from use but otherwise it is in nice condition. The glass lens is in good condition. The dial is in nice condition with only the odd minor mark. The watch has its original blued steel hands.
