Description

Outstanding Omega solid 9ct gold gents wristwatch c1947. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 30T2 manual wind movement which is regarded as the finest manual wind movement ever made by Omega and the same as used by the British military during WWII, as you can see it is in fabulous condition. The dial with the centre seconds hand is in mint restored condition, it has steel peacock blue hands and black numbers so it is extremely easy to read. It also the Omega symbol on the crown. It has been professionally serviced and a new glass has been fitted. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality wooden presentation box. The serial number dates it to 1947. It comes complete with a new premium quality black leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after ...
