Description

This pair of antique French salon armchairs are still upholstered in the original needlepoint fabric, which still has the vivid colours & is in very good condition. The wood is walnut or beech & it's beautifully carved. These armchairs have very generous proportions, with a wonderful shape. The open arms are padded & they are individually hand tacked all over. They are in good condition throughout & I would date them to around the 1910 period. Width - 25", 64 cm Depth - 22", 56 cm Height - 35.5", 90 cm Seat height - 16.5", 42 cm Important!
