## Description

Acrylic on Canvas "A Street in Clitheroe" by John Anderson after L.S.Lowry. This is a very good large acrylic on canvas after L.S.Lowry of matchstick men and a well known street scene with the Church and smoking chimneys in the background. This is a very good example in the style of the famous artist, as a copy there has to be a slight but noticeable difference in the picture, here it is the character in the bottom right hand corner, and the artist has signed the canvas on the back of the painting to avoid any chance of deception. The painting is in excellent condition and comes in its original linen mounted slightly decorative frame. The canvas is 30"x24" and in its frame 35"x29" MG121.
