Description

Victorian carved oak settle To view this on video please go to www.hingstons-antiques.co.uk Here we have a Victorian carved settle with a box seat. The seat-lid lifts to reveal an open storage space, this is a fantastic useful area to store items quickly away from view. The back consists of a 4-panel back, each individually carved with shields and foliage, and with a central bar of mythical beasts. The shaped arms, also carved, link to the base with a well turned support. The box base again with carved panels to the front. 105cms wide 132cms high 51cms deep
