CREAM AND CLEAR GLASS MURANO CHANDELIER

Price

Sold**Item Reference: SA306789****Date of manufacture: 1920**

Description

Circa 1920-1940, this is a lovely delicately coloured all glass Murano chandelier with three long glass flowers standing upright and three separate long leaves; five glass arms holding glass candle cups and five glass leaves folding over from the centre. It has been totally rewired for the UK and fitted with new candle tubes. The thin white line seen at the top isn't damage or a crack - but the string attached to a label we forgot to remove before taking the photographs! The light is in very good condition with no signs of repair or damage. The chandelier measures approximately 75cm in length and 65cm across and looks lovely lit up. Each leaf and flower slots into the central bowl and we would remove all of the glass parts to package separately for safe transit. It can be viewed in the Berkshire area or collection from Surrey can be arranged. Because of the unique glass we would prefer collection or delivery via a courier, and we can obtain quotes from couriers we use regularly who deliver to most parts of the country.
