

SA306897

1920s full hunter Swiss pocket watch

Price

Sold**Item Reference: SA306897****Date of manufacture: 1920**

Description

A 1920s full hunter pocket watch. The has a Swiss stem-winding movement which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The movement is protected by a hinged inner cover. The watch measures 50mm diameter excluding the winding crown and the loop. The case is gold plated and was made by the Geneva Watch Case Company. Inside the hinged case back it states that the case is 'guaranteed for 10 years' - this would have related to the plated finish. The case is in good condition for its age with just one small 'ding' to the front cover but other than that, just light general surface marks from use. The plastic lens is in good condition. The dial is in super condition and has gold coloured hands, subsidiary seconds dial and an outer minute track. FREE WORLDWIDE SHIPPING
