Sold**Item Reference: SA308074****Date of manufacture: 1920**

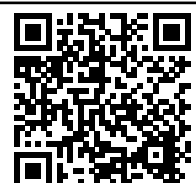

Description

A 1920s heavy duty pocket watch from NY Standard Watch Co. The watch has a stem-winding movement which is ticking away nicely and the time keeping is good to within around one minute over 24 hours. The movement is signed New York Standard Watch Co, USA and it has the serial number 3,968,857. The watch measures 57mm diameter excluding the winding stem and the loop. The 'silverode' case was made by the Philadelphia Watch Case Co - silverode was a nickel composition material used in watch cases and the various watch case manufacturers had different names such as 'silveroid', 'silverus' and 'silverine'. The case is in good condition for its age with just minor marking. The watch glass has a deep bevelled edge which gives it a solid appearance. There is a thin scratch to the glass, about 1.5cm long. The dial is signed NY Standard Watch Co, USA. It has a good vintage look with blued steel hands, subsidiary seconds dial and an outer minute track. FREE WORLDWIDE SHIPPING
