Large Antique Burr Walnut Oval Coffee Table

Description

This antique walnut coffee table is wonderful quality & has lots of character. The oval top is a beautifully patterned burr walnut. This sits on a strong baluster support, which in turn sits on a platform base. Under the platform base are four sabre legs with original brass claw feet on brass casters. This coffee table is quite large. I would date it to around the 1910-20's period & it's also in good original condition. Please note that when this table was photographed the top was on the wrong way round. It just needs to be rotated so it sits between the legs with the longer gap. This will be done before sending out. Width - 46.5", 118 cm Depth - 34.7", 88 cm Height - 21.3", 54 cm
