Description

Very stylish pair of Swedish Art Deco armchairs that would look equally good mixed in with traditional or modern room settings. The frames are satin birch & they have been recently recovered in the same way as they were before in a neutral colour Swedish linen fabric. I would say they date from around the 1930's period & they are in good condition. These armchairs are very comfortable with generous proportions & I've seen similar models being sold on other prominent web sites for in excess of £4500. Width - 26", 66 cm Depth - 29", 74 cm Height - 30", 76 cm Seat height - 16", 41 cm
