Description

A Pair of French 19th Century Walnut Bedside Cabinets This is a superb quality pair of French 19th Century bedside Cabinets, often known as Chevet or Night Tables in France The cabinets date from around 1880, they are made from Walnut and they stand on tall carved cabriole legs with scroll feet and tiny brass casters. The doors have attractive moulding, they each have a drawer and a marble lined cabinet The top of the cupboards have inset white and grey marble with a moulded edge, they are in good condition, the only damage is to the interior of one of the doors where the veneer has worn The cabinets are 32" high and 16" square MG141 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued
