

SA309625

Planished and Shaped 1st World War Shell Case.

Price

Sold**Item Reference: SA309625****Date of manufacture: 1900**

Description

The best "Trench Art" I have ever seen done with a Great War shell case, it is carved with a bird amongst a grape and vine pattern, the detail is brilliant. It has various details marked and stamped on the base, including the date...1917. It is 10 inches tall and 4 inches in diameter. The design is in the "Arts and Crafts" taste.

Internal Ref: 023255
